FIREMEN'S PRAYER

When I am called to duty God, wherever flames may rage,

Give me the strength to save some life, whatever be its age.

Help me embrace a little child, before it is too late,

or save an older person from the horror of that fate.

Enable me to be alert, and hear the weakest shout

and quickly and efficiently to put the fire out.

I want to fill my calling Lord, to give the best in me,

to guard my every neighbor, and protect his property.

And if according to my fate, I am to lose my life,

Please bless with your protecting hand, my children and my wife.

(or change the last to:) my family one and all.
