

Cumberland County Fire Chief's Association  
January 22, 2001, 7:00 pm

Called to order by Chief J. F. Hall, Bethany Fire Dept at 7:00 pm with 16 members and 8 associate members present. President Jimmy Hall is out of town for medical reasons. Chief Rielly is also out for medical reason. Meeting held at LEC Assembly Room.

Opening prayer provided by Chief J. F. Hall.

**Roll Call and Reading of Minutes:** Chairman Hall asked to have Roll Call the reading of the November minutes. Minutes approved as read.

**Meeting Next Month:** Meeting will be held February 26, 2001 at the Airport Training Center hosted by the City of Fayetteville Fire Dept.

**ADT Code:** President Hall wanted the following information passed on that the Raleigh insurance company wanted the responding trucks to check en route or in service. This information will also affect reporting.

**Old Business:**

**Internet:** Chief James Hall met with Sprint. Sprint can provide Internet and email access for approximately \$90,000. This figure includes routers, phone lines, etc. He spoke with AIT, again. They propose to host a website at a cost of \$39 to setup and at \$18.95 per month per station with unlimited email access. Each station would need to sign in. AIT will not maintain the website. They recommend The Fayetteville Observer, which could run approximately \$400 - \$1,000 for setup and design. They would also provide Internet access and ISDN lines for \$27.90 set up fee and \$27.90 per month to include 5 email accounts. Dial up connections will cost an additional \$13.95 per month. They will not provide access to roadrunner. Research is also being done on the domain name. A domain name will cost \$7.99 per year, with a maximum 2-year registration. Basic service can be provided to each station. The potential is there to tie in Firehouse.

A second proposal was made by Fire Marshall Ricky Strickland to buy 3 56K Modems at approximately \$100 per modem to install in the county server, phone installation, and monthly phone billing at approximately \$30 per month paid for by the CCFCA will provide email and internet access for each station. The best part of this proposal is the State is on the same system. The Firehouse program would have its own address. There was a discussion of the data remaining on the server.

Motion was made by Chief Sudia, seconded by Chief Bullard, to begin Internet and email access through the Cumberland County IS Dept. Unanimous decision.

**New Business:**

**FTCC:** Not present

**EOC:** Nothing

**Fire Marshall:** Nothing

**Emergency Management:** Harold Beverage has resigned to take a job in private industry.

**EMS:** A discussion was held on transfers being handled by vans.

**CCSD:** Nothing

**City of Fayetteville:** Nothing

**County Commissioners:** Discussed the implication of job loss from Cape Fear Valley Hospital.

**Christian Firefighters:** Nothing

**General Discussion:** Discussed improving the After The Fire handouts.

Chief Sudia made the motion to adjourn, seconded by Chief Middleton. Motion passed at 8:18 pm.

CUMBERLAND COUNTY SHERIFF'S OFFICE**

*A Nationally Accredited Law Enforcement Agency*

**TO : All Cumberland County Fire Department Chiefs**

**FROM: Lieutenant Gary E. Dudley**  
**Training Officer** *[Signature]*

**DATE : January 24, 2001**

**REF : OC Spray Decontamination**

---

Armor Holdings Incorporated, the manufacturer of Oleoresin Capsicum Spray (OC), has advised that emergency medical personnel should no longer use saline solution to flush the eyes of sprayed individuals. The company states that there could be a reaction between the saline and agents in the OC. They are recommending that only sterile water be used for this purpose.

Please notify your emergency medical responders of this change in decontamination procedures, and no longer use saline solution when assisting law enforcement agencies with decontamination of suspects that are sprayed with OC.

Thank you in advance for your prompt attention in this matter. If you have any questions/concerns, please do not hesitate to contact me at 677-5595.
