Meeting Point of interests:

Next Chief's Meeting will be hosted September 27, 2010 by Fort Bragg Fire and Emergency Services. The meeting will begin at 7:00 pm. The meeting will be held at the Varsity Drive Community center. If you come in the Butner Rd. gate off of Bragg Blvd, go past the 2nd set of traffic lights. As you start down the hill, Varsity Drive is on your right. The community center is located on your right just down the street. Due to mission requirements the General will not be able to attend this event. We will continue to pursue this endeavor and I will provide further information at a later date. The dress for this event no longer requires your formal attire, please feel free to wear whatever you desire.

- President Johnson advised the members that all of the foam trailers are in service.
- President Johnson handed out packets which contained; budget information, highway management team report, Memorial Service flyer, several letters, educational announcements, grant information and a CC911 texting form.

- President Johnson thanked the Honor Guard for their service and issued each member a gift certificate to express our appreciation for their service.
- The public safety task force will meet August 31, 2010 to answer questions from the County Manager. If you have concerns or questions, please contact President Johnson.
- Battalion Commander Mims advised everyone of the "Guns and Hoses" softball game recently held at J.P. Riddle stadium. He advised that they would like to make this a tournament next year involving many of the local emergency services agencies.
- Deputy Chief Melvin advised the members of the upcoming First Responder Appreciation Day at the Airborne Museum on Bragg Blvd. It will be held September 10, 2010 at 4:30 pm.

OLD BUSINESS:

- Director Currie discussed the additional channel issue with the members. A purchase order has been given to Motorola for 7 additional channels. The communications center may be moved into the old health department building in the near future. CC communications center will begin dispatching HMPD units August 29, 2010. A new dispatcher training academy will begin in September with 8 new dispatchers.
- President Johnson stated that the Welcome Fire Department in Davidson County came by and picked up the old fire safety trailer.
- County Attorney Rick Moorefield addressed the membership and informed all members that he was planning on updating the county contract starting with the low wealth departments in order to meet the new funding disbursement timelines. He stated that the Board of Commissioners adopted the recommendation of the Public Safety Task Force to increase the supplemental fire tax for the purpose of increasing the number of paid personnel in each of the low-wealth departments. The costs of necessary insurance, retirement contribution, turn-out gear, uniforms, and protective equipment for new personnel may be included as part of the personnel cost. In order to make the first quarter's distribution for the months of July, August and September, it is necessary to get an updated contract in place for each of those departments. As a means of establishing the contractual obligation for additional paid personnel, I am asking each department to provide the following information:

Provide a copy of the department's Form 941 for the four quarters ending June 30, 2010.

What is the estimate of the increased supplemental tax funding for your department.

Provide the following information:

Number of new full-time positions: _____
Number of hours to be worked each week by each new full-time position: _____
Hourly rate of pay for new full-time positions: _____

Number of new part-time positions: _____
Number of hours to be worked each week by new part-time positions: _____
Hourly rate of pay for new full-time positions: _____

Amount to be expended for necessary insurance, retirement contribution, turn-out gear, uniforms, and protective equipment for new personnel: _____

If you have any questions about this request please contact Howard Abner in the county finance office at telephone 678-7750 and please return this information to him by September 9, 2010. He stated you may also leave recommendations and concerns with Chief Johnson or Kenny Currie.

NEW BUSINESS:

- President Johnson read a request from the Fayetteville Fire Department for our organization to support the Fall Safety Day with a donation of \$1,500 dollars. A motion was made by Chief Hill, seconded by Chief Hodges, the motion passed unanimously.
- The annual memorial service is scheduled for October 16, 2010 at 11:00 am. Please make arrangements to attend.
- Carolina Metro is the new company that will pick up deceased personnel. Chief J.F. Hall encouraged all agencies to communicate well at these incidents in an effort to reduce the on scene time of all units.

COMMITTEE REPORTS:

Lieutenant Terry Morris, Commander
Fayetteville Fire Department, Honor Guard
433 May Street,
Fayetteville, North Carolina 28311

Dear Lt. Morris:

It is with great pride that I forward the attached letter of Appreciation to you from Ms. Beverly Galatas, the mother of deceased Fire Captain/SSGT Lance Edward Jacob Blandford.

I would like to take this opportunity to reinforce the kind comments from Fire Captain Blandford's mother and I wish to express the appreciation of the entire Cumberland County Fire Chief's Association for the Honor Guard services performed on behalf of the Cumberland County Fire Service. Always impressive with your services is the reverence, honor, and appreciation shown by the honor guard. Each part of every ceremony is always performed exquisitely and with solemnity, the situation requires.

Your hard work, professionalism, and self-sacrifice are sincerely appreciated. Thanks for a job well done!

Sincerely,
Freddy
Freddy L. Johnson Sr.
President / Fire Chief

To the Men and Women of the Cumberland County Honor Guard,

Thank you for your participation in the role or roles you performed in the Honors you displayed at the funeral services for my son, SSgt Lance Edward Jacob Blandford. I'm sorry I don't know each of your names, and I wish I had had the chance to thank each one of you individually for each honor you bestowed. You carried out your duties with the highest degree of professionalism; whether it was standing by his casket, posting the colors, folding the flag from his coffin, handing us the flags, playing the bagpipes, or firing the 21-gun salute.

There were probably other things you did for Lance that I wasn't even aware of. I was provided some pictures of the detail outside the chapel performing the 21-gun salute, so I did have the chance to see you in that manner.

Lance wanted to be a fireman for a long time. When he went in the Air Force, that dream became a reality. He loved his job and wanted to remain a fire fighter in a civil service capacity. I will live the rest of my life wondering "why" this tragedy had to occur.

The things you did at the funeral home, Salem United Methodist Church, and the Pope AFB Chapel both impressed and comforted my family. Thank you for your compassion and dignity. Thank you for honoring my son with a Fire Fighter's send off.

Gratefully and Sincerely,

Beverly C. Galatas
