Starting February 10, 1987, we will begin the State Certification of Firefighter III. The first course offered will be the Incident Command class. This class will be offered at 9 hours. There is a pre-requisite for this class. A student must have taken the Fire Ground Command class either through this institute or equivalent. Proof of this will have to be presented to the instructor on the first night of class.

Fire Chiefs please be selective about those you select to attend this class. We would like to have officers first.

The class will be taught by Mr. Vince Wolf, Assistant Chief of the Cumberland Road Fire Department at the Neill Currie Building on the Fayetteville Technical Community College campus. The class dates will be February 10, 17, 24, 1988. Times for this class will be from 7:00pm-10:00pm.
